PROFESSIONAL SUMMARY

Motivated and enthusiastic Computer Science student currently pursuing undergraduate studies at SAI University, Chennai, and in the 3rd semester. I have a strong interest in programming and problem-solving, with knowledge of C, Python, and Data Structures & Algorithms using C. I enjoy learning new technologies, improving my technical skills, and applying logical and critical thinking to solve problems. I am a quick learner, team-oriented, and eager to gain practical experience through projects and real-world opportunities.

Education

SAI University, Chennai

Undergraduate – Computer Science
Currently in 3rd Semester

Narayana Junior College, Nellore

Higher Secondary Education

Narayana School, Proddatur

School Education

Skills

- **Programming Languages:** C, Python
- **Data Structures & Algorithms:** DSA using C
- **Problem Solving:** Critical Thinking and Logical Reasoning
- **Soft Skills:** Quick Learning, Teamwork, Communication

Hobbies

- Listening to Music
- Reading
- Playing Badminton
